Message from our President & CEO

So much has changed in 2020 due to COVID-19. At Give2Asia, we have been privileged to work with funders to support local organizations fighting the pandemic: first in Wuhan, China, and now in all 23 countries where we work across the Asia-Pacific. You can see a progress report at <https://give2asia.org/covid-19>

Yet even during this unprecedented crisis, we remain mindful that other needs remain—and grow more pressing. Improving access to education and healthcare. Ameliorating poverty through livelihood development. Protecting the environmental resources that sustain healthy communities. Our amazing donors continue to partner with us to champion these causes.

As we look back on 2019, we are grateful for all the work you made possible ... and feel motivated to tackle the challenges ahead.

Sincerely,

Birger Stamperdahl
President & CEO
